Co-Able Summer Camp: This camp offers basic sailing instruction to youth sailors with and without disabilities. Small, stable boats (called Hansa Boats) provide a unique and safe platform for partners to sit next to each other and use their collective abilities to maneuver the boat. No experience is necessary, but competent sailors will have fun, too.

Camp Fees: A \$25 refundable deposit is required to reserve your place in camp. You may apply for the refund of this deposit after participation in the camp. Donations of any amount are encouraged but not necessary.
